_____

I am an adaptive and hardworking programmer looking to join a team to start my career in software development. I strive to learn what goes on behind the code rather than "Just make it work" for a more complete solution. My career goal is to become a full stack developer with knowledge of multiple languages, frameworks, and software stacks.

Technical Knowledge

Languages & Frameworks: C#, ASP.NET, T-SQL, Javascript, Node, Express.js, React.js, Mongo
Markup Languages: XAML, HTML5, CSS

Projects

Utility Program for Wright Tire - GUI based quoting application; Largely removed human errors in calculating quotes while providing multiple options and quantities for better customer interactions; C#, XAML
Application unavailable for access

Barcode Generator - Console based barcode image generator using Code 128 format; C#
https://github.com/Stranded-Helix/Barcode/

Global Nibz - Web based meal and food randomizer; Javascript, HTML, CSS
https://doublelforce5.github.io/Global-Nibz/

Stolen Canvas - Mock basic e-commerce site imitating selling of great works of art
https://afternoon-ocean-89274.herokuapp.com/

Tech Blog - Blogging website that allows users to login, post and comment
https://mighty-bastion-20147.herokuapp.com/

Work Experience

Bankruptcy Specialist   Linebarger Goggan Blair & Sampson - Dallas, TX   Jan. 2018- Jan. 2021
-Researched information for 300 debtors a month to prepare cases and additional documents for attorneys
-Determine ownership of properties using multiple resources and programs
-Prepare claims and other legal documents for use in court and for attorneys

Office Manager   Wright Tire Company - Cleburne, TX   Sept. 2016 -Jan. 2018
-Managed bills, customer accounts, and daily files
-Helped to create and implement new strategies for smoother workflow resulting in a 10-15% increase in profit each month
-Maintained small network of computers and peripherals
-Handled sales of tires, automotive parts, and repair services

-When necessary would work in the shop repairing tires, performing balancing and rotations, and new tire installs

Part Sales Associate   Bruckner Truck Sales - Lubbock, TX   Aug. 2013 - Sept. 2016
-Handled part lookup and sales for customers and internal departments.
-Managed monthly part core reports and shipments
-Assisted multiple international customers with purchases including shipping

Skills

I have great interpersonal skills and can communicate well with employees and outside contacts.
I use common object oriented programming patterns and strategies and can adapt to any naming and commenting conventions.
I use a mix of analytical skills and critical thinking to solve problems.
I have a willingness to learn anything that might be required to complete a task.

Education

Godley High School - Godley, TX   2006 - 2010
HS Diploma

Texas A&M University - College Station, TX   2011 - 2012
Dwight Look College of Engineering
